## 2020 Chemistry Olympiad

Annual, Multi-tiered Competition for High School Students

The U.S. Chemistry Olympiad (USNCO) is an annual, multi-tiered competition for high school students. The Puget Sound Section proctors the Local Examination in March followed by the National Examination in April. Winners of the National Examination move on to compete at the international level in the International Chemistry Olympiad (IChO) in July.

The Local Examination is used to select the finalists that will move on to the national level of the Chemistry Olympiad (i.e the National Examination). The Puget Sound Section of the ACS is allowed a maximum of 13 finalists to move on to the national level. There is a limit of 2 finalists per school.

The 2020 Local Exam will take place on Saturday, March 21<sup>st</sup>, 2020 from 9:00am-11:00am at Bellevue College, room S-224. The National Exam will be held in April at Bellevue College. Details TBD.

The Puget Sound Section finalists will be announced after results of the Local Examination are known. For registration and details (such as room numbers) please contact Dr. Clarita Bhat (cbhat@shoreline.edu).

More information about the local and national exams can be found at:

## Lecturer Fulltime - Chemistry, Physical Sciences Division, School of STEM, UW Bothell

University of Washington Bothell | Bothell, WA | ACS PSS Posting Date: 01/30/2020

The University of Washington Bothell (UWB) seeks a dynamic chemistry educator to join the Physical Sciences Division of the School of Science, Technology, Engineering, and Mathematics (STEM). We invite applicants for a full-time (100%) lecturer position for a 9-month service period with opportunities to teach during the summer. Appointments are for up to five years, renewable, and are not tenure eligible. The start date is September 16, 2020. We are eager to receive applications from faculty candidates in all areas of chemistry including any interdisciplinary areas related to chemistry.

The University of Washington Bothell is building strength in a new undergraduate degree in chemistry. The primary responsibilities of these positions are teaching, mentoring undergraduates, and service. The successful candidate is expected to engage in modern pedagogy, promote equity in a diverse student population, work enthusiastically in an inclusive and interdisciplinary culture of learning, and may engage students in undergraduate research.

More information can be found at this link:

## Tenure-Track Analytical Chemistry Faculty Position

Central Washington University | Ellensburg, WA | ACS PSS Posting Date: 10/25/2019

The CWU chemistry department is hiring a tenure-track analytical chemistry faculty position for 2020-2021. To apply, go to <https://careers.cwu.edu> and search for position #3322

## Assistant Professor of Chemistry

Seattle Pacific University | Seattle, WA | ACS PSS Posting Date: 09/07/2019

Tenure-track Assistant Professor of Chemistry to start September 1, 2020. The position is a full-time, nine-month appointment. We are specifically interested in inorganic chemists or candidates with cross-disciplinary interests that are related to inorganic chemistry. SPU is a Christian university and applicants will be required to submit a faith statement with their application. Members of historically underrepresented groups, as defined by the National Science Foundation, are especially encouraged to apply. Candidates should show evidence of excellence in teaching and mentoring undergraduates, as well as a strong plan for undergraduate research. Applicants who can demonstrate effective mentoring of students from underrepresented backgrounds are especially welcomed. Applications should be submitted online at: <https://spu.interviewexchange.com/jobofferdetails.jsp?JOBID=113823>

Applications will be accepted until the position is filled, with the interview process beginning November 2019. The University reserves the right to fill the position before the deadline and to close or to extend the deadline as circumstances may warrant.

## Tenure Track Chemistry Education Faculty Position

Western Washington University | Bellingham, WA | ACS PSS Posting Date: 09/06/2019

Applications are invited for one tenure track position at the assistant or associate professor level in chemistry with a specialization in science education. This will be a joint appointment between the chemistry department and the Science, Math and Technology Education (SMATE) program at Western Washington University (WWU) in Bellingham, WA, beginning September 2020. The chemistry department and SMATE program are committed to WWU's goal of recruiting and retaining diverse faculty, and welcome applications from diverse candidates. The ideal candidate will enhance our existing strengths in education and research by teaching chemistry and teacher preparation courses as well as leading an active research program in science education. A Ph.D. by hire date is required. Please see the full position announcement for all required and preferred qualifications and to apply: <http://employment.wwu.edu/cw/en-us/job/497193/assistant-or-associate-professor-chemistry-education>. Inquiries may be addressed to Prof. Catherine Clark at (360) 650-2129 or [clarkc36@wwu.edu](mailto:clarkc36@wwu.edu). WWU is an AA/EO employer. For disability accommodation call (360) 650-3774. Review of applications begins September 26, 2019; position open until filled.
