NORM 2020 Terminated

Termination of the 2020 Northwest Regional Meeting

Safety is a core value of the American Chemical Society, and as such the health and well-being of our members, attendees, and staff is paramount. As a result of the rapidly changing situation related to the spread of the Coronavirus disease (COVID-19), the 2020 Northwest Regional Meeting scheduled for June 29 – July 1 in Washington is being terminated.

The decision to terminate the meeting was based on several factors, including, but not limited to:

- The “Stay Home, Stay Healthy” order from Washington Governor, Jay Inslee which requires all Washingtonians to stay at home unless they need to pursue an essential activity, closing all but essential business, and banning all large gatherings.
- Concern from our attendees and presenters about the safety of travel and mass assembly in Bellingham.
- The rapidly expanding trajectory of the COVID-19 virus using tools such as the Johns Hopkins Center for Systems Science and Engineering COVID-19 tracking system to monitor the ever expanding outbreak of COVID-19 domestically and globally.

See the [NORM 2020 Website](#) for the latest information.

Please contact the [NORM 2020 Organizing Committee](#) with any questions.

Donating PPE to Help Combat COVID-19

PPE Sourcing for Medical Facilities in Short Supply

Read the [letter regarding the request to donate personal protective equipment \(PPE\)](#) by Jennifer Marsalla, the ACS PSS Chair, to assist healthcare professionals in combating COVID-19:

Puget Sound Local Section

Fighting COVID-19 How Can I Help?

COVID-19 has led to an international shortage of PPE supply. Some of our members may have capacity to help. The ACS Puget Sound Section would like to call on our members to help our healthcare professionals during this difficult time by donating new PPE to emergency services.

A short list of sought-after items are:

- Disposable gowns
- Coveralls
- N95 masks
- Surgical Procedure Masks
- Face shields
- Gloves
- Powered Air Purifying Respirators (PAPR)
- PAPR hoods
- PAPR filters
- Comfort Strips (Max Ari 2000-201)
- LI-Ion Batteries
- Small (Max Ari 200-36T)
- Impermeable Barriers
- Sanitizing/Disinfectant Wipes
- Hand Sanitizer Bottles
- Hand Sanitizer Refills
- Cleaning Solution Spray
- Digital thermometers (forehead)
- Disposable Thermometers
- Disposable Stethoscopes

Bulk donations of PPE are accepted by Washington State Department of Enterprise Services (DES). If you are interested in helping, please visit their link for more information: <https://des.wa.gov/about/agency-overview/covid-19-information-%E2%80%93-des-guidance/personal-protective-equipment>

If you have small donations of these items, consider contacting your local emergency management agency. Here is a link to connect you to your county: <https://access.wa.gov/topics/emergency/resources/Contact/List.html>

Be well,
Jennifer Marsalla, ACS-PSS chair

2020 Chemistry Olympiad

Annual, Multi-tiered Competition for High School Students

The U.S. Chemistry Olympiad (USNCO) is an annual, multi-tiered competition for high school students. The Puget Sound Section proctors the Local Examination in March followed by the National Examination in April. Winners of the National Examination move on to compete at the international level in the International Chemistry Olympiad (IChO) in July.

The Local Examination is used to select the finalists that will move on to the national level of the Chemistry Olympiad (i.e the National Examination). The Puget Sound Section of the ACS is allowed a maximum of 13 finalists to move on to the national level. There is a limit of 2 finalists per school.

The 2020 Chemistry Olympiad exam in the Puget Sound local section has been canceled.

~~The 2020 Local Exam will take place on Saturday, March 21st, 2020 from 9:00am-11:00am at Bellevue College, room S 224. The National Exam will be held in April at Bellevue College. Details TBD.~~

~~The Puget Sound Section finalists will be announced after results of the Local Examination are known.~~

Please contact Dr. Clarita Bhat (cbhat@shoreline.edu) with any questions.

More information about the local and national exams can be found at:

Linus Pauling Medal Award | Nominations Open

Nominations are now being accepted for the 2020 Linus Pauling Medal Award

Nominations are being accepted for the 2020 Linus Pauling Medal Award. Sponsored jointly by the ACS Portland, Puget Sound, and Oregon Local Sections, the award is presented annually in recognition of outstanding achievement in chemistry in the spirit of and in honor of Linus Pauling, a native of the Pacific Northwest. The medal will be presented at a symposium this fall at the University of Washington's Seattle campus.

The award recognizes outstanding contributions to chemistry of a character that merits national and international recognition; however, the award will not be given for work for which the nominee has already received a Nobel Prize. Scientists of all nationalities are eligible for this award. According to Pauling's express wish, it is preferred that the award honor younger scientists whenever possible.

For details on the nomination process, visit <https://sites.uw.edu/pauling2020/>

Nominations are due: **May 1st, 2020 at 5 PM PDT**

Complete nominations can be emailed to pauling2020@uw.edu

Heros in Chemistry Award

National American Chemical Society Award

[Heroes of Chemistry](#) is an annual award sponsored by the American Chemical Society that recognizes talented industrial chemical scientists whose work has led to the development of successful commercialized products ingrained with chemistry for the benefit of humankind.

The nomination period for the 2020 Heroes of Chemistry Award opened November 1st, 2019 and ended February 1st, 2020.

For more information on the application process, please visit the [Nominations Procedures](#) page. You can also email chemhero@acs.org.

ACS-HACH Professional Development Grants

Professional Development Grants for High School Teachers

The application period for the [ACS-Hach Professional Development Grant](#) is currently closed. With this grant, high school chemistry teachers can request up to \$1,500 to pursue opportunities that advance their professional development and enhance the teaching and learning of chemistry. Applications are accepted between October 15th-January 4th annually.

Lecturer Fulltime - Chemistry, Physical Sciences Division, School of STEM, UW Bothell

University of Washington Bothell | Bothell, WA | ACS PSS Posting Date: 01/30/2020

The University of Washington Bothell (UWB) seeks a dynamic chemistry educator to join the Physical Sciences Division of the School of Science, Technology, Engineering, and Mathematics (STEM). We invite applicants for a full-time (100%) lecturer position for a 9-month service period with opportunities to teach during the summer. Appointments are for up to five years, renewable, and are not tenure eligible. The start date is September 16, 2020. We are eager to receive applications from faculty candidates in all areas of chemistry including any interdisciplinary areas related to chemistry.

The University of Washington Bothell is building strength in a new undergraduate degree in chemistry. The primary responsibilities of these positions are teaching, mentoring undergraduates, and service. The successful candidate is expected to engage in modern pedagogy, promote equity in a diverse student population, work enthusiastically in an inclusive and interdisciplinary culture of learning, and may engage students in undergraduate research.

Assistant Professor of Chemistry

Seattle Pacific University | Seattle, WA | ACS PSS Posting Date: 09/07/2019

Tenure-track Assistant Professor of Chemistry to start September 1, 2020. The position is a full-time, nine-month appointment. We are specifically interested in inorganic chemists or candidates with cross-disciplinary interests that are related to inorganic chemistry. SPU is a Christian university and applicants will be required to submit a faith statement with their application. Members of historically underrepresented groups, as defined by the National Science Foundation, are especially encouraged to apply. Candidates should show evidence of excellence in teaching and mentoring undergraduates, as well as a strong plan for undergraduate research. Applicants who can demonstrate effective mentoring of students from underrepresented backgrounds are especially welcomed. Applications should be submitted online at: <https://spu.interviewexchange.com/jobofferdetails.jsp?JOBID=113823>

Applications will be accepted until the position is filled, with the interview process beginning November 2019. The University reserves the right to fill the position before the deadline and to close or to extend the deadline as circumstances may warrant.

Tenure Track Chemistry Education Faculty Position

Western Washington University | Bellingham, WA | ACS PSS Posting Date: 09/06/2019

Applications are invited for one tenure track position at the assistant or associate professor level in chemistry with a specialization in science education. This will be a joint appointment between the chemistry department and the Science, Math and Technology Education (SMATE) program at Western Washington University (WWU) in Bellingham, WA, beginning September 2020. The chemistry department and SMATE program are committed to WWU's goal of recruiting and retaining diverse faculty, and welcome applications from diverse candidates. The ideal candidate will enhance our existing strengths in education and research by teaching chemistry and teacher preparation courses as well as leading an active research program in science education. A Ph.D. by hire date is required. Please see the full position announcement for all required and preferred qualifications and to apply: <http://employment.wwu.edu/cw/en-us/job/497193/assistant-or-associate-professor-chemistry-education>. Inquiries may be addressed to Prof. Catherine Clark at (360) 650-2129 or clarkc36@wwu.edu. WWU is an AA/EO employer. For disability accommodation call (360) 650-3774. Review of applications begins September 26, 2019; position open until filled.
